The Christmas Train is an annual, non-profit event that brings gifts to the children of Tecate, Mexico in celebrating the *Day of the Three Kings*. This project, nurtured and driven by the dedication of Charlie and Margaret Coval has grown from a family's desire to bring candy to the children of Tecate that started 12 years ago. Every year this event changes the lives of over 5,000 children and their families with gift bags that include a notebook, pencil, crayons, a coloring book, a toy, toothbrush and of course some candy.

Every year the Christmas Train holds a golf tournament to raise most of the funds needed to support this event. This year the golf tournament will take place at
